Message from The Chairman....

Education During COVID -19 Pandemic

Today we are facing a very different context. The COVID-19 pandemic has forced education innovation into the heart of almost every education system around the globe. March 2020 will forever be known as the time all the world's schools and colleges closed their doors. As teachers and school leaders around the world struggled with hardly any forewarning to pivot to some form of remote learning, parents and families around the globe who had relied on schools and colleges as an anchor around which they organized their daily schedule faced the shock of life without them. Withstanding Mr. Nelson Mandela's view of education, 'Education is the most powerful weapon you can use to change the world', it is firmly believed that education not only gives a person an ability to read and write but also makes them a better humanbeing. It has been rightly connoted that education is the manifestation of perfection already in man. The COVID-19 pandemic has resulted in educational institutions across the world being compelled to suddenly harness and utilize the suite of available technological tools to create content for remote learning for students in all sectors.

Educators across the world are experiencing new possibilities to do things differently and with greater flexibility resulting in potential benefits in accessibility to education for students across the world. Most importantly, it is our hope that for the generations to come, these experiences of isolation and remote learning away from their peers, teachers and classrooms will serve as a cautious reminder of the importance of our human need for face-to-face social interaction. As we all know that a new era of endless dimensions is set to introduce itself in front of the ever - changing world. In such a scenario, nothing but education holds the power to prepare and groom the children who would emerge as future victors. The education imparted to the generation today will give them the knowledge and power to change the society tomorrow. Despite the anxieties, fears, and uncertainties of Covid-19, we have been able to move forward. We may not be able to control the current situation fully but we can positively control our life in our thoughts, actions, and choices. We can rise above these challenging times & strive to be hopeful, courageous and resilient. As we move into 2022, let us carry with us the positives from 2021. We have learnt not only to cope with crises but in fact thrive when times are hard. Preventive measures are definitely the best ways to welcome HOPE. Besides excelling at academics, imbibing moral values of life are also equally important. These should constitute the foundation of our everyday life. This is the only way we would be a good society & a great nation at large. I request all the staff members and students to stay safe with all necessary precautions & wish the synergy family **A VERY HAPPY NEW YEAR 2022.**

(Binod Dashr)

National Seminar on “Use of Drone in the Industry” at Synergy, Dhenkanal

Department of Mechanical Engineering organized a National Seminar on “Use of Drone in the industry” on 14th December 2021. Wing Commander B.S.Singh Deo (Retd.) was the honorable speaker. Drones have been around for more than two decades, but their roots date back to World War_I when both the U.S. and France worked on developing automatic, unmanned airplanes. But the last few years have been significant in terms of drone adoption, usage expansion across industries, and global awareness. From technically manning sensitive military areas to luring hobbyists throughout the world, drone technology has developed and prospered in the last few years. Individuals, commercial entities, and governments have come to realize that drones have multiple uses, which include: Aerial photography for journalism and film, Express shipping and delivery, Gathering information or supplying essentials for disaster management, Thermal sensor drones for search and rescue operations, Geographic mapping of inaccessible terrain and locations, Building safety inspections, Precision crop monitoring, Unmanned cargo transport. Wg Cdr B.S.Singh Deo also enumerated about drone taxi, or UAV that can take passengers and fly to their destinations without getting stuck in a traffic jam. It can take the passengers on the shortest route up to a speed of 130 Km/hr and can land at any part of the city

AICTE Margdarshak Visit to Synergy, Bhubaneswar

On 24th November 2021, Dr. Sukant Kishore Bisoy, Margdarshak visited Synergy Institute of Technology, Bhubaneswar for the AICTE NBA Margdarshak Programme. He verified the department of Mechanical, Civil, Electrical & Computer Science Engineering. The Chairman & Managing Trustee, Sri Binod Dash; Dr. J. Rout, Principal; Prof. C. Jagatdeo, Director; and other Professors and Asst. Professors of the respective department actively participated and co-operated them during their visit.

Induction programme at Synergy, Dhenkanal

Student Induction Programme (SIP) was organized between 2/12/2021 to 8/12/2021. A time table comprising of UHV, Communicative English, Yoga, Drawing, Song, Odia, Sanskrit, Aerobics, Dance, Entrepreneurship, Computer Skills, EVS, Basics of Math, Games & Sports classes with library study etc was given to the first year students as per AICTE and BPUT model curriculum. A friendly cricket match was also organized between the first year students to enhance their team spirit. Teachers of the DPS and SIET made this programme a grand success with coordinator Dr. Jayashree Singh (HOD, Physics).

Induction programme on “Science Technology and Future” at Synergy, Bhubaneswar

An Induction Programme for the first-year students of 2021-22 batch was organized on 8th December 2021 at Synergy Institute of Technology, Bhubaneswar. Dr. Jogeswari Rout Principal, SIT, Bhubaneswar felicitated the guest of honour of the occasion Dr. Chittaranjan Mishra, an eminent Chemical Scientist and Technologist at Nalco Bhubaneswar, TV anchor, Author and a great Orator. He addressed the students by sharing his past experiences and educated them about the importance of inheriting and being updated with the latest advancement and inventions in the field of science and technology. He stressed upon the point that updating the skills constantly is quite essential in order to match the modern technology. The programme was concluded by Ms. S. Pattnaik lect-in-English, SIT, BBSR with a vote of thanks.

Induction programme on “The Art of Happy Living” at Synergy, Bhubaneswar

An Induction Programme held on 15th December 2021 at SIT, BBSR for the first-year students. The keynote speakers were B.K. Debasmita & B.K. Geetanjali teachers of Raja-joga were welcomed by the principal Dr. J. Rout. The speakers focused on the art of happy living and guided our students how to attain happiness through meditation. The soul purpose of the life is to have a healthy mind and body, one can balance this by following the path of meditation. Overall the induction programme served to be very effective and fruitful for the growing students.

Induction programme on “Indian Culture and Youth Behaviour” at Synergy, Bhubaneswar

An Induction Programme for the first-year students of 2021-22 batch was organized on 9th December 2021 at Synergy Institute of Technology, Bhubaneswar. Mr. Nirad Chandra Arya, language teacher of DPS, Kalinga & a part-time RJ in RADIO CHOKLATE 104.FM, was the chief speaker of the programme. He has been honoured by many State level and national organizations for his talent and rich experience with Public Speaking & Education. He enlightened the students about the richness of our Indian Culture and Youth Behaviour and motivated them to incorporate this in their everyday life. The students showed their keen interest to adapt the same in their lifestyle. Dr. Jogeswari Rout Principal, SIT, BBSR felicitated the chief speaker Mr. Nirad Ch. Arya. The programme was wrapped by Ms. S. Pattnaik, lect-in-English, SIT, BBSR with a vote of thanks.

Newsletter

Induction programme on “Sustainability and Waste Management” at Synergy, Bhubaneswar

An Induction Programme was held at SIT, BBSR on 10th December 2021 for the first-year students. The guest speaker of the programme was Mr. NarasinghaPanigrahi, the director of SGR Private Limited. His company works in the space of recycling waste management and renewable energy. He was felicitated by the principal Dr. J. Rout, SIT, BBSR.. He showed the students how plastic and other wastes affects the living world through a powerpoint presentation. He introduced several waste management techniques, and the ways to conserve the natural resources in order to maintain a proper balance in the ecosystem.

Achievement by Dr. Ramesh Ch. Nayak of Synergy, Bhubaneswar

Dr. Ramesh Chandra Nayak received Evaluator Certificate of Toycathon-2021 from the Ministry of Education’s Innovation Cell and AICTE for exceptional contribution as a primary evaluator for evaluating two ideas. Synergy Institute of Technology (SIT), Bhubaneswar has been upgraded to IIC 4.0 (2021-2022) as IIC-SIT under Ministry of Education’s Innovation Cell, Govt. of India.

Students Achievement/ Students Participation under Mentorship of Dr. Ramesh Ch. Nayak of Synergy, Bhubaneswar

Mitesh Singh, Abhijit Majhi, Antaryami Das, Etikeshan Pagal , Rakesh Kumar Mohanty under Mentorship of Dr. Ramesh Chandra Nayak. Received Third (3rd) Prize from 75 selected Ideas in a Project Competition on “Smart India Projecthon 1.0” Organised by Innovation and Incubation Cell BIET, Jhansi.

In Memoriam

Those we love can never be more than a thought away; for they walk beside us in our hearts and memories. The staff and students of Synergy Group of Institutions are deeply saddened by the passing of our dear employees Dr. Arabinda Sarangi, Professor (Dr) Gopal Chandra Mitra and Dr. Jiten Kumar Mopatra.

Professor (Dr) Gopal Chandra Mitra

Obituary

Padmashree Professor (Dr) Gopal Chandra Mitra left us for the other world creating a void in the field of Civil Engineering. He was the governing body member of Synergy Group of Institutions for a long duration and during which he loved to interact with the students and was forever ready to help them. We are really blessed to have known such a sober, honest, technically competent and a modest person like him.

Dr. Arabinda Sarangi

Dr. Arabinda Sarangi departed for his heavenly abode on 14th December, 2021. He was the Principal of SIET, Dhenkanal from 2006-09 and also the Director, Academics from 2007-08 and 2009-12. He was instrumental in inspiring a new vision for the college, which we will carry forward in his memory.

Dr. Jiten Kumar Mopatra left us for his heavenly abode on 27th December, 2021 after enduring critical illness. He has been an inspiration for all of us as a mentor, teacher, researcher and a great human being. He had served our institution for 20 long years as a Professor in Mathematics and had become like a part of the Synergy family.

Dr. Jiten Kumar Mohapatra

Our collective hearts are heavy with sympathies and we express our sincere condolences to the bereaved family and friends.

Research & Development

Seminar/Workshop/ conference attended by the faculty of Synergy, Bhubaneswar & Synergy, Dhenkanal

Prof. Dr.P.K.Nayak Department of Electronics and Telecommunication has successfully completed six days FDP on AICTE Training and Learning (ATAL) Academy on “Recent Advancement in Organic & Nano Electronics RAONE 21” from 8th October 2021 to 13th October 2021 organized by department of Electronics and Communication Engineering, SRMIST, Chennai.

Prof. Dr.P.K.Nayak Department of Electronics and Telecommunication has successfully completed five days FDP on AICTE Training and Learning (ATAL) Academy on “Embedded System and Robotics” from 15th November 2021 to 19th November 2021 organized by HKBK College of Engineering.

Prof. Dr.P.K.Nayak Department of Electronics and Telecommunication has successfully completed five days FDP on AICTE Training and Learning (ATAL) Academy on “TYPE-1 & TYPE-2 Fuzzy Logic and its Applications” from 6th December 2021 to 10th December 2021 organized by Indian Institute of Information, Kota.

Mrs Tapasi Das has attended 2 weeks live online short term training program on Blockchain Technology held from 29th November -10th December 2021 organized by Finland Labs, New Delhi

International Transportation Electrification Conference India organized by Society of Automotive Engineer’s India was held from Dec 16 to Dec 18, 2021. The virtual event was attended by Prof. Dr. L.Dhal samanta and Mr.P.K.Nayak, Assistant Prof. Department of Electrical Engineering.

Mr.R.K.Mahanta, Asst.Prof. Electrical Engineering attended ATAL Online Faculty Development Program on “Electric Vehicle” organized by National Institute of Technical Teachers Training & Research from 25th-29th October, 2021

Mr.R.K.Mahanta, Asst.Prof. Electrical Engineering attended ATAL Online Faculty Development Program on “Quantum & Photonics” organized by Malnad College of Engineering, Hassan from 29th Nov-03rd Dec, 2021

Prof .Shakti Shankar Pati, Associate Professor has been granted certificate of Fellow from The Institution of Engineers (India) on 22.11.2021.

Paper Published /Presented & Talks Delivered by the faculty of Synergy, Dhenkanal & Bhubaneswar

Abinash Sahoo, Ramesh Chandra Nayak, Ajit K. Senapati, Manmatha K. Roul, presented a paper titled “Validation of experimental results with theoretical by using ANSYS workbench on vertical tube subjected to natural convection heat transfer without internal obstacles”, Materials Today: Proceedings,2021, ISSN 2214-7853, <https://doi.org/10.1016/j.matpr.2021.11.080>.

Dr. Ramesh Chandra Nayak and Dr. Manmatha K. Roul published a book titled “Mechanical Engineering Dictionary” Central West Publishing, Australia. 2021, ISBN (print): 978-1-922617-23-1 © 2021 Central West Publishing.

Dr. Ramesh Chandra Nayak published a book titled “Automobile Engineering” ISBN 2021 ISBN (print): 978-93-5526-955-3.

Mr Biswaranjan Sarangi has published paper in an international journal on “Outlier Detection using Convolutional Neural Network for WSN “in IJBDCN/IGI-GLOBAL/ISSUE 17/VOL 02/2021 ISSN : 1548-0631 EISSN : 1548-064X.

Mr Biswaranjan Sarangi has published book chapter in an international journal on “A study on outlier detection techniques for wireless sensor network with CNN approach” in TAYLOR-FRANCIS/2021 ISBN : 9781003145028

Mr.Dushasan Prusty (HOD, Department of Mathematics) of Synergy Institute of Engineering and Technology, Dhenkanal has successfully completed 2 papers (Engineering Mathematics and Introduction to Abstract of Linear Algebra) of NPTEL (Swayam) examination held on 23/10/2021 held at Bhubaneswar. He has also attended a faculty Development programme (Introduction to Abstract of Linear Algebra)and got certificate from AICTE

Achievement by Dr. Subhakanta Dash of Synergy, Dhenkanal

Dr.Subhakanta Dash, (HOD, Department of Chemistry) of Synergy Institute of Engineering and Technology, Dhenkanal has been honoured with the VDGGOOD Young Scientist Award for 2021 in the fields of engineering, science and medicine held on 12-Nov-2021 at Chennai. He has about nine years of experience in research in the field of solid waste utilization, waste water treatment and concrete technology. VDGGOOD has been working towards finding new innovations to make life easier in all aspects. He has developed an innovative porous concrete material from industrial waste (fly ash).In his research, maximum fly ash utilization and ground water recharging are addressed.

Dr.Subhakanta Dash, (HOD, Department of Chemistry) of Synergy Institute of Engineering and Technology, Dhenkanal has been awarded with the RSqarEL Young Researcher Award .

Virtual Alumni Meet at Synergy, Dhenkanal

The annual alumni meet of Synergy, Dhenkanal was held on 11.12.2021 virtually on account of the ongoing Covid-19 pandemic. 70 Alumni had registered initially to attend the meet. But due to timing and work emergencies 65 alumni joined the virtual alumni meet. The meet was started with the customary digital lightening of lamp followed by 30 second silence for COVID victims. The meet was addressed by Prof. Smruti Ranjan Dash, Secretary, Synergy Alumni Association, Prof. Debasish Dash, HOD, Placement, Synergy, Dhenkanal, Prof. Saroj Kumar Nayak, Dean, Student Welfare, Synergy, Dhenkanal, Dr. Prashanta Kumar Nayak, Director, Synergy, Dhenkanal, Dr. Itishree Mohanty, Principal, Synergy, Dhenkanal and Shri Binod Dash, Chairman & Managing Trustee, Synergy Group of Institutions. Staffs and students of Synergy, Dhenkanal and Synergy, Bhubaneswar also attended the meet along with the alumni and also interacted with them. Total of 25 Alumni agreed to be panelist and they presented their different experiences during their time as a student and indicated their suggestions for the improvement of the current students and the institute as a whole. The meet ended with vote of thanks by Prof. Shakti Shankar Pati, Vice Principal, Synergy, Dhenkanal. The entire video recording of the alumni meet is available on YouTube (<https://www.youtube.com/watch?v=fQGKExA3aew>)

Gandhi Jayanti Celebration at Delhi Public School, Dhenkanal

Delhi Public School, Dhenkanal, celebrated Gandhi Jayanti to pay tribute to the Father of the Nation. Besides, Lal Bahadur Shastri Jayanti was also celebrated who was an important figure during the freedom struggle and rose to prominence after independence. The Principal of the school, Sri Vijay Kumar Sahu along with some students, parents and teachers paid floral tribute to the portrait of Mahatma Gandhi. The Principal told the students to follow the footsteps of the Father of the Nation and to be self-reliant like him. Students enthusiastically took part in the Gandhi Jayanti event celebrations. One of the student recited a poem based on the truth and non-violence. Small children celebrated this event by dressing up as Gandhiji and Lal Bahadur Sashtri.

Welcoming Sri Bajjayant Panda to Delhi Public School, Dhenkanal

Delhi Public School, Dhenkanal was privileged to witness the arrival of the Former MP and Vice-President of BJP Bajjayant Panda who has been recently appointed as the chairman of a high-level expert committee to revamp National Cadet Corps (NCC). The Ministry of Defence has constituted a high-level expert committee under the chairmanship of national vice-president of the BJP and former MP Bajjayant Panda for a comprehensive review of National Cadet Corps (NCC) in order to make it more relevant in changed times. The terms of reference of the committee, broadly provides for suggesting measures which can empower NCC cadets to contribute more effectively towards nation building and national developmental efforts in various sectors. The committee will also propose measures for gainful engagement of its alumni for betterment of the organisation as a whole and to study/recommend best practices of similar international youth organisations for inclusion in the NCC curriculum.

Visit of Veteran IAS Couple to Delhi Public School, Dhenkanal

Delhi Public School was more than elated to welcome the elderly couple, Shree S K Mishra, and his wife on 17th November, 2021. Both of them have retired after their selfless tenure as IAS even after rendering almost multitudinous years of their life to government service. The former bureaucrat feels that the experience he has gained and the reputation he has built can be better used for public service. Mrs. Mishra, who is also a civil-servant-turned-social-worker validates that women empowerment is crucial for India's development. Her NGO concentrates on infrastructure development, primary education and women empowerment. The venerable couple visited all the rooms of the school building. They appreciated the infrastructure, especially, the well ventilated rooms. The retired officer, who definitely has extremely effective green fingers, planted two mango saplings in the school's garden to make the visit indelible in the archives of DPS, Dhenkanal. They were accompanied by reverend Pro Vice Chairman, Shree Binod Dash, Esteemed Director, Dr. Lagnajit Dash and revered Principal, Mr. Vijay Kumar Sahu.

Diwali Celebration at Delhi Public School, Dhenkanal

Diwali gives us a message to remove all the darkness within ourselves and illuminate our inner self. To celebrate the auspicious occasion, DPS, Dhenkanal organized some activities in different classes. A plethora of activities were assigned to the students like making diyas and rangoli using play dough, edible diyas (used biscuits, cookies, vegetables etc), wall hangings and diya decoration. Students of grade 12 created beautiful rangoli patterns depicting the theme: Green Diwali, Safe Diwali. The programme commenced with the sacred prayer by the Principal of DPS Dhenkanal, Mr. Vijay Kumar Sahu. Soon after this, the melodic choir group of the school led by the music maestro Ganesh Sir set the mood of the festivity by presenting a dulcet song on Diwali. This was followed by a speech on the significance of celebrating Diwali by Smruti Samrudhi Das. Raj Pritam Nayak delivered a thought depicting the moral of Diwali that is victory of light over darkness, good over evil. Nalinikant Mangraj updated the assembly with the current news. Abhishek Pati invoked the Almighty by chanting a shloka about the importance of light/ diya in our life. Amit Behera urged the students to contribute their part in ensuring the integrity and unity of the country through pledge. The audience was delighted to hear the mellow songs by Prayag Patnaik, HariPriya Rout and Ashutosh Mishra. In a nutshell, the assembly was educative, informative as well as an entertaining one.

National Constitution Day Celebration at Delhi Public School, Dhenkanal

Freedom is the utmost pleasure that one may seek. To commemorate the efforts of the freedom fighters who made dauntless sacrifices to bring us DEMOCRACY and to pay tribute to the highest law of our land, the National Constitution Day was celebrated in the premises of DPS Dhenkanal with grade 8 and 9 students, in the form of a special assembly. The assembly took off with a prayer, followed by a brief description about the Indian Constitution. The Preamble to the Constitution was read by all present in the assembly, followed by the National Anthem.

Newsletter

National Mathematics Day Celebration at Delhi Public School, Dhenkanal

National Mathematics day was organized by the Maths Department of DPS Dhenkanal in its school auditorium on 22 Dec 2021 on the birth anniversary of Shri Srinivasa Ramanujan, the great mathematical genius who made an exemplary contribution Mathematics day was celebrated with the objective of creating awareness about the importance of mathematics in day to day life situations and also to create students' interest in studying Mathematics. A well organised assembly was conducted by grade XI commerce students on the auspicious occasion. The assembly was hosted by Ashutosh Mishra with great spirit. Nilesh Mishra elaborated the biography of Srinivas Ramanujan through his speech. Mr. Vijay Kumar Sahu, Principal of DPS Dhenkanal made the students aware about the contribution of Srinivasan in the field of mathematics and informed the students about some interesting facts of mathematics to develop the likeness of the students for mathematics.

Christmas Celebration at Delhi Public School, Dhenkanal

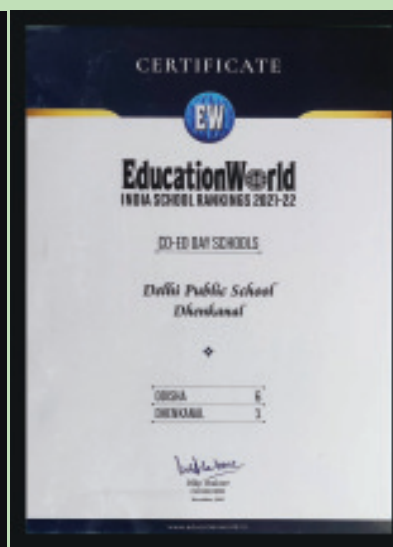

Soaking in the spirit of Christmas the staff and few students of Delhi Public School, Dhenkanal celebrated the festival with great enthusiasm on December 24, 2021. The festival was celebrated virtually on FACEBOOK (LIVE). The school was beautifully decorated and everybody was dressed in red and white (Santa's favourite colours). The students sang melodious carols and danced beautifully to wish their teachers and friends. People from all across the globe were able to be a part of the celebration. Spectacular dances were also performed by few students. The significance of the festival was presented through the Christmas skit by students. The boundless joy of celebrating the festival was visible on the faces of all the children. The celebration ended with a cake cutting ceremony.

Children's Day Celebration at Delhi Public School, Dhenkanal

Delhi Public School, Dhenkanal celebrated Children's Day on the 15th of November, 2021. The celebration was streamed live on Facebook. The students of the senior wing along with the staff members of DPS, Dhenkanal witnessed the programme in the school auditorium by following all the COVID-19 pandemic restrictions. Master Sabyasachi Mishra of grade XII & Miss Tejaswini Biswal of grade X was the hosts of the day. The programme begun with the lamp lighting ceremony. The choir group including students welcomed the gathering with their melodious song which was followed by the speech of esteemed Principal, Shri Vijay Kumar Sahu. He greeted the children on the special day, a day to celebrate the bond between teachers and students. The students of DPS, Dhenkanal rocked the stage with their magical dance performance. Students also drew the strings of our hearts by their soothing voices. This was followed by a number of performances to delight, entertain and regale the students. The teachers enthusiastically performed a skit. The skit with all its humour and witty dialogues received a lot of likes and appreciative comments from the students as well as their parents. They appreciated scintillating dance performance by our students of the junior wing. The heartfelt appreciation, likes and comments by the students are a testimony to the grand success of the celebration.

WREATH OF LAUREL FOR DELHI PUBLIC SCHOOL, DHENKANAL

Delhi Public School, Dhenkanal, under the CO-ED DAY SCHOOLS category, in the India Schools Rankings 2021 -22 organized by the Education World, is delighted and proud to have attained the Rank No.1 in the district of Dhenkanal and Rank No.6 in the state of Odisha.
